

Water Ski and Wakeboard Saskatchewan

Summer Water Ski and Wakeboard Travelling Clinic Coach Position

Our organization:

Water Ski and Wakeboard Saskatchewan (WSWSask) is a non-profit sports organization devoted to promoting watersports to people of all ages and ability levels. Our association holds yearly clinics and competitions, and strives to draw awareness to waterskiing and wakeboarding throughout the province.

The position:

The Traveling Clinic is one of our longest running programs. As coach of this program, you will be responsible for visiting lakes throughout Saskatchewan helping people of all ages learn to love the sports of water ski and wakeboard. This is a high profile position within our organization, and we're looking for an enthusiastic person who would love to spend much of their summer outdoors and on the water.

Duties may include, but are not limited to:

- Coaching introductory level water ski and wakeboard
- Launching and load tournament boat at various lake locations with confidence
- Maintaining boat and truck in clean condition
- Delivering boat to dealership for oil change and maintenance
- Collecting necessary forms from participants
- Collecting funds when necessary and reporting to Executive Director
- Understanding and promoting continuing programs of Water Ski and Wakeboard Saskatchewan, keeping in mind that the position is also one of promotion for Water Ski and Wakeboard Saskatchewan
- Conducting a healthy lifestyle as to promote sport and athleticism
- Reporting directly to the Executive Director
- Preparing season end report of activities

Skills and Qualifications

- Holds a Class 5 Driver's License.
- Holds a valid Pleasure Craft Operator's card.
- Understands various aspects of professionalism of coaching
- Values and demonstrates punctuality
- Can work independently and is self motivated
- Possesses strong organizational and communication skills
- Can build rapport with a variety of ages, people and strategic partners
- Can write reports
- Is available to work non-conventional hours during peak times of June 5th to Aug 27th
- Holds NCCP Introductory Water Sport Coaching Certification plus CPR and First Aid, or is willing to take the training
