

We are in the process of selecting the 2014 Saskatchewan First Waterskiing Team. Selection to the Team is based upon your performance at tournaments in 2013 with particular weighting for those that have attended the:

- Saskatchewan Provincial Waterski Competition,
- Western Canadian Waterski Championship
- Canadian National waterski Championship

Waterski Wakeboard Saskatchewan provides funding designated for training, will reimburse some of the costs for our of province competition and as well as a small amount of athlete assistance.

In past years, we have had several skiers that have met our technical criteria for sponsorship but who elect not to compete at that same level in the current year. You are in consideration for a place on the WSWs Sask First Waterski Team and we would appreciate a short resume to confirm your interest in participation in competitive waterskiing this 2013 season.

Please include the following details:

- Personal information – name; date of birth
- Contact information – address; telephone; cellphone; email
- Home training site
- Competition results for 2012, 2013 – (to be sure that we have not missed any)
- Events planned for competition – Slalom; Trick; Jump
- Training plans for 2014 – coaches; locations; dates
- Waterski goals for 2014
- Competitions planning to enter in 2014

Thank you for commitment to Waterski excellence in Saskatchewan. We will evaluate your application in view of your 2013 scores and plans for 2014 and announce our selection for 2014 shortly.

Submit Resume to:

Sheri Seiferling, Executive Director
Waterski Wakeboard Saskatchewan
Box 202,
